APCA By-Law

Section1

O. Determining the Winner

2. When two or more players, who are finalists and who will receive an award, are tied with the same score at the end of the Tournament, the following procedures will be used to break the tie between players and arrive at one winner: (1) the total number of games won will be given first consideration; next, (2) how the two opponents fared against each other; and lastly, (3) how the players fared against other opponents in their division, starting with the highest-finishing opponent and working downward. These procedures will be employed in the listed order

There was a tie for 10th place. Applying the tie-breaking rule 10th place was awarded to Timothy Irving. Also there was a three way tie for 15th place. 15th place was awarded to Ernest Gates, 16th place to Spencer Taylor and 17th place to Fred D. Shurn
